

Sprint 4 Plan

Team: Diego Garcia (SM), Jacob Katzeff, Justin Tse, Brian Liu

Goal Our goal for the fourth sprint is to connect all our components and clean up

User Story 1: As a product owner, I would like to have a whole product put together.

- **Task 1:** Merge the 3 maps onto the homepage

User Story 2: As a user, I would like to see the devastating impact of gun violence.

- **Task 1:** Get the animation working for gun violence
- **Task 2:** Create a time series

User Story 3: As a user, I would like to see text explanations

- **Task 1:** Add labels

Task Assignments:

- Each one of us will continue to debug, fix anything from previous work.
- Diego - story 1 & 3
- Jacob - story 1 & 2
- Brian - story 1 & 2
- Justin - story 1

Initial Burnup chart:

Hoping everyone individually puts in 15-20 hours this sprint for a total of 60-80 hour work completed

Initial Scrum Board:

(See Trello)

Scrum Times:

Tuesday: class time

Wednesday: 4pm baskin 340a

Friday: Mchenry 3:45pm
