Sprint 1 Plan

Goal Our goal for the first sprint is to get familiar with d3, and get it running on everyone's computer.

User Story 1: As a consumer, I want to see dynamic graphical representations of data that is visually appealing
- **Task 1:** Learn how to manipulate geographical data into graphs on d3 (8)
- **Task 2:** Learn how to to add colors as functions of data (3)
- **Task 3:** Learn more complicated behaviors of d3 (8)

User Story 2: As a consumer, I would like to upload CSV, JSON files
- **Task 1:** Learn how to take in a CSV file as input in Javascript (5)
- **Task 2:** Learn Javascript (13)

User Story 3: As a consumer, I would like to have the option between uploading a file or input into a text box

User Story 4: As a consumer I would like to have a simple, and
